SUMMARY

I've accumulated about two years of invaluable experience in the field of iOS Development, during which I have demonstrated expertise in SwiftUI and API integration. My proficiency extends to several programming languages, including C, C++, and Swift. Notably, I have accomplished a successful final year project utilizing Python and completed multiple projects showcasing SwiftUI and API integration.

EXPERIENCE

IOS Developer

Esols Technologie

📅 2021 - Present 📍 Islamabad

- Developing high performance Client-side application using SwiftUI
- Integrated RESTful APIs and other web services using URLSession facilitating real-time data retrieval and synchronization.
- Leveraged Core Data to manage the local persistence of data, enabling efficient storage and retrieval of information for offline usage.
- Utilized Git for version control and participated in code reviews, ensuring code quality and promoting team collaboration.
- Proficient in Swift and Objective-C programming languages, employing best practices to deliver high-quality, performant code.
- Implemented elegant and intuitive user interfaces using SwiftUI, focusing on creating a seamless user experience.
- Implemented third-party libraries and frameworks through CocoaPods, enhancing app functionality and reducing development time.
- Published apps on the Apple App Store.

EDUCATION

Bachelor's in Computer Science

Abdul Wali Khan University

📅 2016 - 2020 📍 Mardan, KPK

- University has been a great experience for me in learning a lot of advanced courses like Object Oriented Programming, Database Management System, Data Structures, Software Engineering, Artificial Intelligence, Algorithm Analysis, Web Development and Web Security, which laid a strong foundation for my skills and knowledge in my career.

GPA

4.0 / 3.42

SKILLS

C

C++

Swift

SwiftUI

API Integration

Core Data

Core Data with CloudKit

3rd party Libraries

CocoaPods

URLSession

MVVM

Continuous Learning

UI/UX Design

Version control (Git)

ACHIEVEMENTS

Silver Position Holder

STRENGTHS

Problem Solving

I'm very practical about solving unexpected issues and can adapt to changes and new situations.
