EDUCATION

BS.IT
University Of Sargodha
2013-2017

I.C.S
B.I.S.E Gujranwala
2011 - 2013

EXPERIENCE

HISKYTECH
Internship ǀ 1 Month - July 2024

As a Front-End Developer intern at HiSkyTeck, I developed a responsive web page, a to-do list application, and a real-time chat application. This experience allowed me to enhance my skills in building interactive, user-friendly interfaces and strengthened my ability to deliver functional, responsive web solutions.

DONESOL TECHNOLOGIES
Internship ǀ August 2023 - December 2023

As a Front-End Developer intern at Donesole, I contributed to the Contact Us, Landing, and About Us pages, focusing on design, form validation, and user engagement, which strengthened my skills in front-end development.

PROJECTS

REAL-TIME CHAT APPLICATION

Developed a responsive real-time chat application using HTML, CSS,Reactjs, and JavaScript. The application utilizes WebSocket integration for instant message delivery, allowing multiple users to communicate simultaneously.

TO-DO LIST APPLICATION

Developed a functional to-do list app using ReactJS, HTML, CSS, and JavaScript. Implemented core features for adding, editing, deleting, and completing tasks with local storage integration for data persistence.

ABOUT ME

Front-end developer with a solid foundation in HTML, CSS, Reactjs, and JavaScript and a passion for creating responsive, user-friendly web designs. Known for quick learning and adaptability, I am eager to bring my skills to a dynamic team and grow through hands-on experience.
